ABBAZIA DI NOVACELLA Kerner 2008

- Alto Adige (Italy) -

Abbazia di Novacella is the northernmost winery in Italy, lying right at the foot of the Dolomites. A hybrid out of Riesling and Trollinger, Kerner yields a delicately perfumed but medium-bodied wine of great finesse with elegant fruit flavors and stony, mineral notes.

“The Kerner may be the most complete and harmonious of the lot.”
