LE DUE TERRE Sacrisassi Bianco 2005

- Friuli (Italy) -

This husband and wife team are committed to quality and manage their 4-ha property organically and with painstaking care. Their Sacrisassi Bianco (literally 'sacred stones') is a blend of local varieties Tocai and Ribolla Gialla. Very intense aromatic on the nose, it proffers crisp sensations of ripe fruit but minerality and sheer elegance are strong suits of the wine. Thanks to its impressive personality it picked up the Three Glasses Award.
