We Import Passion

### ABBAZIA DI NOVACELLA

**Wine Maker:** Celestino Lucin

**Web Site:** [www.kloster-neustift.it](http://www.kloster-neustift.it)

### KERNER

**Type:** White

**Region:** Alto-Adige

**Appellation:** DOC Valle Isarco

**Grape Varietal:** 100% Kerner

**Vineyard Location:** Bressanone, Varna

**Orientation:** South, south-west

**Altitude:** 2100 ft

**Vine training:** Guyot

**Soil:** Sandy-clay and gravel

**Vinification:** Skin maceration and fermentation done at controlled temperature in stainless steel.

**Aging Process:** 6 months in stainless steel.

**Alcohol Content:** 13%

**Suggested serving temperature:** 54 F

**Production:** 80,000 bottles

**Tasting notes:** The color goes from pale straw yellow with green highlights to pale gold; fruit and citrusy aromas; fresh and full-bodied. Perfect for antipasti, and shellfish based dishes.

**Other Information:** The Kerner grape originated as a cross between Trollinger and Riesling. Kerner thrives well in vineyards of average quality and is planted as a supplement to Muller-Thurgau. The shoots mature well and show a considerable resistance to cold winters. The wines resemble Riesling, they are racy, with a light varietal bouquet of their own and much body.
